City Commission Special Meeting

June 13, 2017 – 9:00 a.m. at Harry Banks Community Park

Present. Mayor Brett Peterson; Commissioner Harry Banks; Commissioner Marcus Hardy; Commissioner Barbara Scholl; Patrick Kennedy, City Manager

Absent. Commissioner Judy West

The special meeting of the City Commission was held June 13, 2017 at Harry Banks Community Park. A quorum being present, the meeting was called to order at 9:10 a.m. by Mayor Peterson.

OLD BUSINESS

Harry Banks Community Park Improvements and Recommendation of Award for Playground Improvements. Patrick Kennedy began the discussion by inspecting the proposed playground elements submitted by bids. The current plastic toddler play set was from 2008 is in disrepair and needs to be replaced. Spring toy replacement was not included in any of the original bids. The two swing sets can be reused after new hardware and paint. Commissioner Hardy suggested they be moved in order to "square off" the play area.

All bid submissions, with elements included, were reviewed and discussed.

The choices were narrowed down to Bliss and GameTime option 2, both using the current swing sets. The current climber will remain if it can be refurbished and space allows.

Patrick Kennedy will contact both Bliss and GameTime and request updated bids and clarification on elements included for re-evaluation at the July 2017 Commission Meeting.

There being no further business and no visitor or citizen communication, the meeting was adjourned at 10:05 p.m.

APPROVED this 13th day of July, 2017.

Brett W. Peterson, Mayor

Patrick Kennedy, City Manager
