Did you know...

The Catfish Festival is celebrating its 40 year anniversary in Crescent City this weekend!

The Rotary Club of Crescent City started this annual event as a all volunteer effort to create a community event that raises money for scholarships for local high school students to attend college. The Rotary Club continued the tradition each year and has made it a regional event.

It continues to work as an all volunteer event and has raised over \$800,000 in scholarships for local youth.

While City Hall provides some support in the form of law enforcement, traffic control and a park-ride shuttle service; this is truly a community event—not a City Hall event. The hundreds of volunteers that come help the Rotary with the event are what make it happen and they are what makes it such a special event.
